

From the B.C. Capital

The second session of the 22nd Legislative Assembly of British Columbia will open on Tuesday, February 20, it was announced by Acting Premier Herbert Anscomb.

Preparations are underway and reviews by the cabinet of the estimates of expenditures for the various departments of government for the coming year are expected to start shortly.

Business Activity Reaches All-Time High

Business activity in British Columbia during 1950 reached an all-time high, it was announced by Hon. Leslie H. Eyres, Minister of Trade and Industry. Basic industries, with the possible exception of agriculture, which suffered severely from an extreme winter, will probably show higher dollar value gains over 1949 figures. The dollar value of production in the manufacturing industries will probably also run moderately ahead of the previous high established in 1949.

However, it should be pointed out that price increases have once again contributed to the most of the gains.

Manufacturing production in the province during the past twelve months is estimated at \$1,100,000,000 or \$100 million higher than 1949 estimates. Retail sales, which totalled \$768 million in 1949, are now placed at \$820 million for 1950. The value of forestry production this year of \$390 million is \$58 million higher than 1949. Mining output this year which is estimated at \$135,000,000 surpasses the 1949 figure by \$2,000,000. Imports will be the highest on record in British Columbia with a total of \$250,000,000 for the twelve months. Electric power consumption which has increased every year since 1934, shows 3,925,000 kilowatt hours for 1950, an increase of 325,000 kilowatt hours over last year.

Aesop, author of the book of fables, was a slave.

Strange Activities of Keremeos Religious Sect Arouses Curiosity And Concern in Southern Okanagan

(Reprinted from the Penticton Herald)

Interest throughout the Keremeos district centers in a home about a mile outside that community, a home that is the site of a strange and extraordinary religious practice.

In that home, which lies toward Cawston, and which is only of average size, it was estimated that as many as thirty persons might be living.

But it is not the overcrowding alone that has caused such intense curiosity and puzzlement.

These people, of whom a great many are very young, in the opinion of outsiders have virtually embodied themselves.

They have maintained a vigil since before Christmas, in an atmosphere of intense religious zeal. Blinds cloak every window, however, and although the home is equipped with a telephone, that instrument is never answered. Visitors have not been allowed inside. It is thus not easy for outsiders to know just what is transpiring.

Religious Sect

But there is no doubt, say many Keremeos residents, that what has developed is certainly out of the ordinary.

The communal "living" in the one home has its background in a

religious sect of unorthodox tendencies which has for some time been active in Keremeos.

It has held meetings in a church building formerly belonging to another denomination, and in the Victory Hall.

Its leading figure is a woman, who is described as a person of intense conviction. Her "followers" obviously place great faith in her leadership and teachings.

Such teaching reached the point, latterly, that many identified with the sect began selling their possessions.

It was when many such possessions were parted with, for only a small part of their real value, that Keremeos residents were given their first startling evidence of the length to which the group is going.

The Herald has been told of some sales of livestock and personal possessions, for example, that were virtually "give aways."

Those who claim to know something of the group's teachings say that a fundamental preoccupation is with getting rid of all debts.

They have established themselves as a Co-operative Elect Group, it has also been reported.

Pool Resources

After discharging debts, they apparently intend to pool their resources, and to work for each other, with tithing arrangements for the Group. So, at least, some of them have said.

The reaction amid many Keremeos people is to scoff. Others stress that there is a poignant situation in reality, and that there cannot be any denying of the intense conviction of some of the people, who have given proof of their unwaveringness by parting with hard-earned possessions for small sums.

Those now "locked away from the world" in the home that belongs to a member of the group, have given further evidence of their sort of mystic ideas in robbing themselves in white. Men, women and children are dressed in such a way, it is stated by some who have been able to see any part of what is going on. Even in the cold weather, white tennis shoes are being worn.

The Herald is unable to establish any count of persons in the home concerned, and has relied on rumor and hearsay only. But reliable enough townsmen in Keremeos have voiced the opinion that perhaps as many as fifteen that could be called "children or young people" are included in the company that has been crowding the one dwelling.

This "living together" started before Christmas. As it continued, Keremeos interest grew intense with each passing day.

There is the problem of school attendance, raised this week. Some within the dwelling are of school age. If they do not return to school, this would presumably give the authorities reason for action.

Health Question

It is also pointed out that a health question is raised, and that this, too, could eventually bring interference with the practice of those in the dwelling.

It is stated that some of the young people within the house are unaccompanied by their parents, and that the latter have called at the place, endeavoring to get such young people to come out.

The reply has been given, by those in charge of the house, that nobody is kept against his or her will. If any person, young or old, wishes to go, he may do so. But he will not be forced out, if he wishes to stay.

This has posed the dilemma, and so far there has been no forcible interference from outside. It has been explained that there has, so far, been very questionable ground for such interference.

But it is also stressed by many

that the interference should now come.

Only one person who joined the group inside the home when it took up its vigil has left.

She was a widow who was asked to surrender her wedding ring to the group, and this, she could not bring herself to do. The inference is that she was asked to go.

But this and many another story must be reported by the Herald as Keremeos.

no proof of the occurrence.

There have been a great many other rumors as to what has been transpiring in the home. Some of them can most probably be set down to rather over-worked imaginations, which, however, have been understandably provoked by goings-on that have been strange enough in the past fortnight in Keremeos.

First Year's Operation Of B.C. Growers' Hail Insurance Successful

PENTICTON—A year of hard research work, with pleasing results, was reported by George Lundy of Oliver, president of the year-old BCFGA Mutual Hail Insurance Company, at the annual meeting of the Penticton local held last week.

"Many difficulties were encountered," said the president, but, "as is usually the case, if one must find a solution, one usually does something."

"When we started, the commercial insurance companies warned us that we could not make a success of it. Recently we have been approached by the same people who offered to drop their own policies and handle ours for us at the same rates we are now paying."

To Give Protection

"Our object is to give the grower protection, not to make money. We went into this business with no experience to back of and so were compelled to follow fairly closely the methods of the commercial companies."

"However, we are hoping that some changes, beneficial to the growers, will be made at our convention in January. At this time it is a matter of working things out and finding the best methods to use," said Mr. Lundy.

\$17,000 In Claims

It was disclosed in the financial report that of the 3,600 growers in the Okanagan, 270 held policies to the value of more than \$600,000. Claims paid during the year amounted to \$17,000 against \$32,000 paid in premiums.

In the discussion period that followed it was suggested that the present system of having a straight ten percent deductible on claims should be changed to a five percent deductible, in a system similar to car insurance. Under the company's present method, a grower losing nine percent of his crop due to hail would not be paid, whereas the orchardist who loses eleven percent of his fruit is paid in full.

Mr. Lundy declared that the idea of having a five percent deductible and only paying on losses over five percent was one of the things that would have to be worked out.

The president explained that it would be impossible to do away with the deductible altogether unless the rates were increased.

The question of allowing only twelve-and-a-half percent loss in value on extra-fancy fruit, regardless as to whether or not hail damage was raised, in some cases, it was argued, the loss was considerably more.

"We have followed the procedure of the commercial companies in that matter," said Mr. Lundy, "and an investigation of the pool at Kelowna showed that we had arrived at a justifiable average."

Other rates for loss in values are, fancy to cee grade, 25 percent loss, and extra fancy to hail grade, 40 percent loss.

A motion asking that the rates be reviewed was carried.

The company continued the president, is doing its own adjusting. The executive had tried unsuccessfully to get professionals for the job but the company's own men were making accurate assessments.

Mr. Lundy stressed that the company was a co-operative one and that any changes would be brought about by the vote of the members and he urged that suggestions should be brought forward at the convention in Vernon.

SQUADRON ORDERS

By Major D. G. Baisille, O.C.

Squadron "The British Columbia Dragoons" (Reece Regt.)

Last Order No. 40, This Order No. 41, 3rd January, 1951.

DUTIES:

Orderly Officer for week ending 13 January, 1951, O/C J. Jansen. Next for duty: Lieut. A. C. Parker. Orderly Sergeant for week ending 13 January, 1951, Sgt. Cruickshanks, A. P. Next for duty: Sgt. Hardy, E. N.

PARADES:

Tuesday, 9 January, 1951, 1930 hrs. Instructors and recruits. Wednesday, 10 January, 1951, 1930 hrs. All ranks.

TRAINING PROGRAM:

Tuesday—As per Syllabus. Wednesday—As per Technical Training Syllabus.

DRESS:

Battle Dress, Anklets, Web belts.

RECRUITING:

Squadron Orderly Room is open every Tuesday evening from 1930 hrs. to 2100 hrs. for recruiting for the Reserve Force.

This advertisement is not published or displayed by the Liquor Control Board or by the Government of British Columbia.

COUNCIL SETS POLICY FOR USE OF "HALL"

The city council chamber will be used for council meetings only, but committee rooms in the City Hall will be available for civic or semi-public business, it was decided at

last Tuesday morning's council meeting.

The matter was briefly discussed when Alderman Dick Parkinson asked if the committee rooms would be available for such organizations, such as the regatta committee.

The mayor said the board of trade room was originally intended for such meetings, but in view of the fact these quarters are now being used by the police, other committee rooms will have to be used.

The Skilled

"Soldier-Tradesmen"

of the R.C.E.M.E.

The workshops of the Royal Canadian Electrical and Mechanical Engineers are expanding rapidly — in step with the growth of the Canadian Army Active Force. The men of the R.C.E.M.E. are doing their part to make Canada strong.

There is an urgent need for skilled tradesmen to man the workshops of this vitally important corps of "soldier-tradesmen". Skilled craftsmen are required to fill the posts of automotive mechanics, fitters, toolmakers, radar and radio technicians, instrument makers, welders, watchmakers, machinists and other key jobs.

If you qualify as a skilled tradesman, there's a place for you in the R.C.E.M.E.

You can serve now — when Canada needs you — as an expert "soldier-tradesman".

To enlist in the R.C.E.M.E. you must:

1. Be a Canadian citizen or British subject.
2. Be between 17 and 40 years of age.
3. Be single.
4. Meet Army test requirements.
5. Volunteer for service anywhere.

Penticton Arena May Be Ready in October

PENTICTON—The dream of years will be translated during 1951 into reality of timber, steel and concrete. Work on Penticton's Memorial Arena will start, weather permitting, this week.

"Given reasonable luck the arena will be ready for use by the end of October," H. S. Kenyon, contractor, stated.

The firm of Kenyon and Co. Ltd., of Penticton, won the contract against keen competition with a low bid of \$236,777.77.

There were four tenders. C. J. Oliver Ltd. of Vancouver, was the second lowest with a bid of \$227,479; Timber Steel Construction, Vancouver, third with \$230,527, and fourth, the Dalrymple Construction Co. of Penticton, with the high bid of \$237,140.70.

Tenders Opened

Tenders were opened and turned over to architect W. K. Noppe and J. F. Griffiths for appraisal. Mr. Griffiths, building inspector for the school board, has been loaned to the city and will act as architect's assistant during the construction of the arena.

Council accepted the lowest tender on the motion of Alderman Wilson Hunt who stressed that not only was it the low bid, but that it was from a local contractor. "I feel," said Alderman Hunt, "that the public which donated many thousands of dollars for this project, apart from voting for the by-law, would wish the contract to be awarded locally if at all possible."

City officials and the city's solicitor worked overtime to permit of Mr. Noppe reviewing the contract before it was signed.

With 30 tons of reinforcing steel now on hand, and with the artificial ice making plant in local storage, no delay is expected due to shortage of critical materials. The original site at Queen's Park has been found suitable. Soil tests showed firm ground at the 15-foot level.

This will necessitate pile foundations but \$7,000 had been provided against this contingency in the estimates.

Mr. Noppe has indicated that the pile foundation will not cost this amount.

Mr. Kenyon intends to use local labor as far as possible and it is estimated the arena will give steady employment for many months to between 35 and 40 men, and on occasion more.

LOCAL WOMAN IS SURPRISED TO SEE PHOTO
It's a small world, or so it seems to Mrs. Harry Chapin, of Kelowna. She phoned The Courier office recently to inform us that she had been greatly surprised upon opening the December 18 issue to see a picture of her great-nephew, Captain Douglas C. Holman, in a release by Central Press Canadian showing him giving medical attention to an injured North Korean.

Capt. Holman is the son of Mr. and Mrs. C. Francis Holman, of Pasadena, Cal.; and having just completed his medical training, had been sent to Tokyo, with the army medical corps, seventh division.

As Mrs. Chapin did not know where he was, it was a great surprise to see him turn up in the news photo. The same picture appeared in the Los Angeles Examiner, she was informed by her niece, Mrs. Holman, of California.

LETTERS TO THE EDITOR

OKANAGAN APPLES

Airdrie, Alta.

Editor, The Courier.
Dear Sir,—For two years, we have had very few decent apples, and it doesn't seem to matter whether one buys culls or fancy wrapped or unwrapped. They are green, immature and incipient. The price is high but there is no apple quality in them.

The result is we buy less than half the apples we would if we were getting the quality we pay for.

Yours truly,
T. H. DRUMMOND.

Editor's note—Last week we received a well-written letter from "A.M." dealing with a New Year's message. In view of the fact all "Letters to the Editor" must be signed, The Courier will gladly print same if the writer will acknowledge same.

TOTAL WAR EFFORT

The Editor, The Courier.
Dear Sir,—This is the dark night of the soul of the world and people everywhere live in fear. This is a foul, demoralizing, and indecent condition and should not be tolerated by any people.

It is, therefore, imperative that

the people of all the democratic nations show their complete willingness to make any sacrifice for which they may be called upon.

This is the stark reality of the situation. 1951 will be the most dangerous year in all history because at long last the Atlantic Pact countries have announced their firm resolve to accomplish as quickly as possible what they set out to do two years ago and failed in—that is the establishment of an army in Western Europe capable of defending the Western democracies.

This means the Kremlin has been given definite notice that by a certain date its power of menace which has won it vast territory by itself without the use of arms, will be impotent.

Therefore, because the Kremlin schemers are cold-blooded and hard-headed realists, if the use of force is included in their master plan to achieve world domination, they will attack sometime before our defence is complete.

If they do, then as in the two world wars, we will have to depend on Divine Providence to subsidize our deficiencies until we can make them good.

On the other hand menace and corruption may be the only weapons they care to risk because of the atom bombs we possess or because of the historical fact that after the defeat of tyrants have always been defeated.

But whatever destiny has in store for us at this eventful moment all true men and women in all our countries should cast aside any thought of isolationism because it is the most destructive of all diseases and those who have it are as great a menace to their country and to freedom as the enemy.

Nothing short of a total effort comparable to that made in the last war, should be acceptable to our countries and to the people. The two of them may have been the worst of the people in Western Europe and ultimately of ourselves.

Yours truly,
CECIL R. BULL.

r.p.m.'s column

Millions of bridge players in the United States and Canada learned with amazement and consternation that a woman from New York had obtained a divorce in Honolulu on the grounds that her husband played bridge five nights a week and talked about bridge all the time. The court decided that such conduct was extremely cruel and justified the ending of the marriage relationship.

One can only assume that the judge in this case was not a bridge player, or was a very poor player. The wife might have had some things worth complaining about if her husband were atrocious at bridge. For instance, if he often trumped his partner's ace, bid out of turn, or failed to return his partner's lead, or made a two-demand bid without the requisite number of sure tricks, or passed when he had three aces and his partner bid four no trump. Playing like that might send a furious woman hurrying to Reno—or Honolulu.

This wife also might have had more cause to charge cruelty if her husband was very indifferent about bridge. For instance, if, when the hand was being played, he talked incessantly about scandal or about business and every two minutes inquired "What is trump?" Could anything be more exasperating, more deadly to marital bliss, than such inconsiderate absent-mindedness?

But this woman, not knowing when she was well off, actually accused her husband of being too enthusiastic about bridge!

"Perhaps the trouble in this case was that the husband was too good

to his wife. He may have spoiled her with travel and lavish display. Money—the root of all evil—may have had something to do with it. The two of them may have been a play-bodies with divergent interests. After all, they were from New York and they did end up in Honolulu.

The women of the world should have something to say to this divorcee from New York. Thinking of herself only, this woman who had so much to be thankful for, may have endangered the marital status of a vast number of bridge-playing wives. Imagine what the men may do when they learn that a divorce can be obtained on the ground that a married person plays and talks too much bridge! More women than men play bridge and men—the poor dear—are given an inferiority complex by the superior playing of their wives. Some of them have a smouldering grievance also, because of the poor meals they receive at home when their wives have been playing bridge. Should these much-tired husbands learn that all they have to do to obtain their freedom is to go to Honolulu, the Canadian Pacific Airlines may be jammed with men seeking to rid themselves of bridge-playing wives.

Women bridge fans should see, before it is too late, whether something cannot be done to salvage the situation. It is too late now to get the Honolulu story suppressed. But they could inquire whether an appeal could not be taken to a higher court on the grounds that the decision is a menace to human welfare. Or they could bring pressure on

Kelowna's Hospital Among Institutions Approved By College of Surgeons

HOSPITALS in Kelowna and Kamloops are the only two Okanagan institutions approved by the American College of Surgeons.

In a press release issued this week, Dr. Paul R. Hawley, director of the ACS announced the approval of 3,290 hospitals in U.S., Canada, and a few other countries. Hospitals in B.C. approved by the medical organization include Esquimalt, Essondale, Kamloops, Kelowna, Nelson, New Westminster, North Vancouver, Trail, Tranquille, Vancouver (seven hospitals); and Victoria (two hospitals).

The approved hospitals on the new list represent 82% of the hospitals of 25 beds and over which are under survey by the College. Approval is in two classifications—fully approved and provisionally approved—with 2,980 hospitals fully and 310 provisionally approved.

As recently announced by Dr. Arthur W. Allen, of Boston, chairman of the board of regents, the American College of Surgeons is continuing and strengthening its program of hospital standardization which it has carried on for the past 35 years. Since its inauguration of the program in 1916, the College has expended more than \$2,000,000 in the improvement of patient care in the hospitals of the United States and Canada.

A series of conferences is being held with the American Medical Association, the American College of Physicians and the American Hospital Association in the hope that a co-ordinated program may be developed. The Regents, according to Dr. Allen, have every intention of continuing the hospital standardization program upon an expanded scale and even with deficit financing until a solution is found which is agreeable to the majority of the profession, and which is, above all, in the best interests of the public.

The standards for hospitals upon which approval is based include the following fundamental principles:

1. Modern physical plant, assuring the patient safety, comfort and efficient care.
2. Clearly defined organization, duties, responsibilities, and relations.
3. Carefully selected governing board with complete and supreme authority.
4. Competent chief executive officer or administrator, well trained in all phases of hospital administration, with authority and responsibility to interpret and carry out the policies of the hospital as authorized by the governing board.
5. Adequate and efficient personnel, properly organized and competently supervised.
6. Organized medical staff of ethical, competent physicians and surgeons.
7. Adequate diagnostic and therapeutic facilities under competent medical supervision.
8. Accurate, complete medical records.

The woman to return to her husband for the benefit of the female sex. That would be the ideal solution. The divorced pair would be united in a happier wedlock and countless homes that otherwise might be broken, would be made safe.

program.
Mr. Conroy has had 30 years of service in the telephone industry, joining the public utility in 1921 as a groundman. He became plant supervisor in 1940, and plant superintendent in 1945, followed by his appointment as acting superintendent early last year.

Growers Favor Jobless Insurance for Workers

PENTICTON—A resolution asking the Unemployment Insurance Commission to investigate the feasibility of making unemployment benefits available to orchard workers will be submitted by the Penticton local of the BCFGA for consideration at the annual convention of the association to be held this month in Vernon.

The resolution was drawn up following discussions with the manager of the commission's local office and study of a letter from O. L. Jones M.P. for Similkameen, who both advised that the granting of benefits to orchard workers was possible.

H. Corbushley, speaking for the motion, stated that in any event records of wages paid had to be kept and from these books there would be little difficulty in keeping unemployment insurance records. The speaker was referring to the opposition that was encountered when the idea was broached at the meeting, November 28. It was then argued that no orchardists wanted the additional burden of bookkeeping.

Good Workers Lost
Mr. Corbushley urged passage of the resolution on the grounds that many good workers were being lost to the industry as a result of their being no unemployment insurance benefits available to them. "I lost one good worker who has been coming to me as a high school student for the past four years. He is now in the packing plant and will soon be out of a job and I don't know whether he has an unemployment insurance book or not."

It was further argued that a better class of worker might be obtained from the coast if benefits were available.

Another member of the association offered the opinion it might be possible to get workers from the

coast for two or three months at a time, if they knew they would not lose benefits by taking jobs in the fruit picking industry.

SPORTS SPHERE

DISASTROUS JUNKET

'Nipper,' Howie Get Hat-Tricks As Kerries Dumped Third Time

NORM Knippleberg and Howard Amundrud—only ex-Melville Millionaires on the Kelowna Packers' roster and now finishing their second campaign here—climbed the dizzy heights to stardom Saturday night as they paced the homesters to a 10-4 cuffing, handed the hapless Kerrisdale Monarchs.

Left-winger Knippleberg counted four times and helped on a fifth while defenceman Amundrud's sizzling drives found the net behind beleaguered Bob Bartlett in the Kerries' cage three times. It was the first hat-trick for either of them this season.

Sturdy Mike Daski and Knippleberg's other linemate, right-winger Mike Durban, shared some of the glory as this trio accounted for 14 of the Packers' 21 scoring points. Daski scored once and helped on four, while Durban had one and three.

It was a disastrous wind-up for the Mainline-Okanagan Amateur Hockey League cellar-dwellers' second and last upcountry trek—even more so than the first one. In October the Kerries managed one point on a draw at Kamloops (4-4), while losing 3-14 at Vernon and 2-4 here.

This time, for every goal the Monarchs scored, four were tallied against them. They were blanked 11-0 at Kamloops and humbled 7-3 at Vernon. The 10-4 decision here meant they were outscored 28-7 on the three games.

The loss was the Monarchs' eighth straight and their twenty-ninth in 35 starts.

Close to Shutout
Showing the good effects of another two-hour workout maestro Bill MacKenzie put the boys through on Thursday, the Packers displayed finer finish, classy combinations and a tighter defence Saturday.

The MacKenzie men soared to an 8-0 count (period scores were 3-0 and 5-0) before the Monarchs suddenly caught fire well past the midway mark of the last canto.

Bill Wilson scored twice and Otto Schmidt once as the visitors tallied three times in the last 10 minutes. Otto Schmidt wound up high pointman for the Monarchs, figuring in every one of their goals—getting one and helping on the other three.

Punctuated by Penalties
Referees and minor officials had their work cut out—and more—in the penalty-studded second frame. The sin-bin couldn't have been busier than a bargain counter on a 99-cent day.

For several minutes the cooler was jammed tight and both sides played with the minimum of four players. Otto Schmidt and Mike Durban headed the parade with majors for fighting, though Jim Middleton was up front too, with three minor penalties.

Just as soon as Otto and Durban were separated, big Bob Middleton and Schmidt tangled. The Kelowna defenceman, however, got off with a two-minute call for roughing.

Several of the sentences handed out in the second were delayed as both sides were down to bottom strength as it was.

FROZEN FLURRIES—NORM KNIPPLEBERG and MIKE DASKI stayed one and two at the top of the PACKERS scoring with their five points each. Norm now has 44 and Mike 42. MIKE DURBAN's third with 40. Majority of the 1,700 fans were pulling for a shut-out. Goalie ROY MCMECKIN did his darndest and so did his cohorts.

BOB BARTLETT was brilliant all the time but his defence was weak. K. KELOWNA outshot KERRISDALE 29-15. Solo honor went to JIM HANSON, who snared the puck at the centre line, skated around the defence and streaked around behind the net to push the puck in before Bartlett could completely cover. AL RITTINGER was hit in the face by a high stick early in the second and sent out the rest of the game. The wound required three stitches. Manager CYCLONE TAYLOR took the Monarchs home by their chartered bus right after the game. Monarchs seem to thrive on defeats. Spirits were high in the dressing room after the game.

Examined at hospital while the game continued, Marklinger was found to have a concussion, slight skull fracture and a wrist fracture. He's at home under doctor's orders of "absolute quiet" for 10 days.

"He's been hurt" quite a few times," Harvey's mother reported. "It he gets hurt again, after this, it may be real serious. So I hope he gives it up now," she said.

Five Vernonites scored a brace apiece. They were: Ben, Boduski, Tony Spoley, Desnoine and localite Bob Wolfe, who stormed off the ice midway during a game here recently and decided he'd like to play for Vernon. Singletons were added by Morgan, Thorlakson and Bill Shelly.

Kelowna goal-getters were Froelich, Campbell and Doug Simpson. Simpson was just winding up his Yuletide leave before going back to Lethbridge where he is due to move up to the junior Native Sons next year. He's playing junior B there this season.

FORM MINOR PUCK BODY
KAMLOOPS—After several attempts a new Kamloops Minor Hockey Association was formed here last week. A. J. Cleton is president, A. F. Jeffery secretary-treasurer.

ELKS OVERRIDE MONARCHS 11-0

(Special to The Kelowna Courier)
KAMLOOPS—Kamloops Elks romped to an easy 11-0 win over the Kerrisdale Monarchs in an MOAHL fixture here Thursday. Elks had a decided edge over the Terry Coast team in every department, even when shorthanded.

Don Campbell led the blitz with three goals while Ken Stewart and Pete Wywrot picked up two each. Mike Fischer, back in action after a two-month layoff due to a wrist fracture, Ken Terry, Gunnar Carlson and Harvey Stein scored singletons.

Wywrot garnered three assists to lead point-makers with five. Bernie Bathgate collected four assists as the Thompsons fanned their scoring forms.

Elks outshot the Monarchs 52-28. First period—1, Kamloops, Campbell (Carlson) 4:38; 2, Kamloops, Fischer (Carlson) 12:15. Penalties: None. Second period—3, Kamloops, Terry (Wywrot, Bathgate), 5:44; 4, Kamloops, Campbell (Mellor) 15:49; 5, Kamloops, Stewart (Wywrot, Bathgate) 18:59; 6, Kamloops, Stewart (Wywrot, Bathgate) 19:10; 7, Kamloops, Wywrot (Stewart, Bathgate) 19:32. Penalties: Fischer, I. Wilson.

Third period—8, Kamloops, Carlson (Mellor) 6:20; 9, Kamloops, Wywrot (Johnston) 9:05; 10, Kamloops, Stein, 11:05; 11, Kamloops, Campbell (Wywrot, Bathgate) 18:42. Penalties: MOAHL fixture here Thursday, ties: Fischer, E. Schmidt, Redford, Elks had a decided edge over the Terry Coast team in every department, even when shorthanded.

MELVILLE, SASK., is proud today after two of the ex-Millionaires—the only two playing with Kelowna—paced the Packers to their big 10-4 win over Kerrisdale Monarchs Saturday night. Norm Knippleberg (left), hard-totiling left winger, scored four times and helped on a fifth, while defenceman Howard Amundrud was in there for a hat-trick.

The win enabled the Packers to keep on the heels of the second-place Kamloops Elks and to move to within less than two games behind first place Nanaimo Clippers. Kerries' defeat was their twenty-ninth in 35 starts.

YOUNG PACKERS INVADE VERNON WITHOUT LOSS
For the second time in 48 hours, Kelowna's Midget and Bantam Packers came off the ice without a loss against Vernon teams.

After pulling off two victories here Tuesday, the local sextets went to Vernon Thursday. Bantam Packers rolled to an easy 5-1 win over the northern all-stars, but the Midget Packers had to dig to get a 2-0 draw against the Vernon all-stars.

All four squads are handpicked to represent their respective cities in the forthcoming playoffs. Bill Povey paced the Bantam Packers with two goals, both assisted by the Hicks twins—Wayne and Warren. Other Kelowna snipers were Harry Tanenmura, Stan Machara and George Ferguson.

Great Goal Work
In the midget fixture, after two scoreless periods, Vernon went out front 2-0 while the Packers were shorthanded. Bob Folk got one of them back and then Norm Gri squared matters near the end of regulation time.

One of the highlights of the midget game was the sensational work of Harry Baumbrugh in the Vernon cage.

Bud Evans and Marlow Hicks are coach and manager, respectively, for the Bantam Packers, while Al Laface and Bill Baker hold down the same positions for the Midget Packers.

KUBASEK BACK ON JOB SOON, SAYS BUTLER
Slowness in recovery from his recent injury to his ankle at Kamloops is given as the reason why John Kubasek still is off duty as a Mainline-Okanagan Hockey League referee.

Kubasek returned to his Bellevue Alta, home shortly after he was hurt. He originally planned to be back before the end of the year.

Dr. Mel Butler, MOAHL president, said Kubasek now is expected back here this week—either for Thursday's game at Vernon or Tuesday's game here.

CITY CAGERS SEEK WINNER FOR VERNON

Kelowna's city basketball league will begin a round robin playoff tournament Wednesday as the four teams seek to declare a winner to meet Vernon's commercial league champions in a challenge duel.

Two games are slated for each Wednesday in the Senior High Gym, starting at 7:30 p.m. After the third Wednesday (Jan. 24) each team will have played the others.

Winner will then take on Vernon here the following Wednesday (Jan. 31).

ICE ARENA LACKS VOLUNTARY HELP

SUMMERLAND—Summerland's new ice arena project is lagging, due to lack of volunteer labor. The building was slated to be officially opened by Jan. 13, but the present indications are that the opening will be much later. However an ice surface inside the incomplete building will be made and kept up as long as the cold weather holds out.

Kelowna Senior Hockey Association. 21-M-tfc

Norm, Mike Closing In On Leaders

Don Jones and Alex Ritson of the fourth-place Vernon Canadians still are holding on to the MOAHL scoring race honors, running one and two respectively, but two Kelowna Packers' snipers are beginning to make the chase interesting.

Jakes, 49 points, while his centremate, Ritson, is two points back with 48 and 29 for 47. Jakes leads all assists with his 34. Largely on the work during his last three outings, Norm Knippleberg has climbed from way down to third place with his 44 points, made up of 22 goals and 22 assists. Norm's linemate Mike Daski, holds down fourth place for the Packers with 42 points (21-21).

Figures for games up to but not including Sunday, were issued today by Harold King, Kelowna, league statistician.

Roy Still Leads Kelowna's Roy McMeekin still heads the regular netminders, but he is being challenged by Louis Holmes, who is moving up fast and has taken over runner-up spot from Denny McManus of Nanaimo.

Packers still are the most penalized club in the five-team loop, but individually the dubious honor goes to the blond boxer, Louis Holmes, Vernon.

LUSSIER SETS UP WINNER AS ELKS EDGE CANADIANS

(Special to The Kelowna Courier) KAMLOOPS—Goalie Lorne Lussier capped a terrific performance in the net for the Kamloops Elks on Saturday night when he punted to Bernie Williams for the winning goal as the Elks downed Vernon Canadians 4-3.

A crowd of 2,179 fans lifted the roof when the Elks came through with the storybook finish with only three seconds left in the game. Bathgate had just stepped on the ice after serving a holding penalty when Lussier whipped the puck up to him at the red line and Bernie went in to score while all the Canucks were up the ice.

Bud Andrews, Ken Stewart and Ken Terry were the other Kamloops mainmen. Leo Lucchini got two for Vernon with Don Jakes the other.

First period—1, Kamloops, Andrews (Stein, Wilson) 7:12; 2, Vernon, Lucchini (Smith) 13:27. Penalties: Thomas, Holmes, Steacy.

Second period—3, Kamloops, Stewart (Williams) 35:4, Kamloops, Terry (Williams) 13:45; 5, Vernon, Jakes (McKay, Ritson) 19:47. Penalties: Holmes (two minors and one misconduct), Andrews, Steacy.

Third period—6, Vernon, Lucchini (McKay, Tarnow) 4:24; 7, Kamloops, Bathgate (Lussier) 19:37. Penalties: Stein, Thomas, Terry, Holmes, Bathgate.

Referees: Neilson and Waites.

IT'S REVERSIBLE! Sport skis news for the fall and winter season is the reversible skirt of wood with solid (one on one side, a modish plaid on the other).

WORLD CHAMPS MERCURYS MAY PLAY HERE SOON

Possibility of the world champion Edmonton Mercurys showing again in Kelowna, within a month or so, was indicated today.

Dr. M. Butler, Mainline-Okanagan Hockey League president, said here he had been approached by the Mercurys with a view of lining up a series of exhibition games in this part of the province.

Mercurys, who won the Western Canada intermediate hockey crown here two years ago against Melville Millionaires and the right to represent Canada in the world tournament, captured the international title easily overseas early last year.

Coming of the Edmonton team hinges on whether Kelowna, Vernon and Kamloops squads will guarantee sufficient to cover expenses.

CHILD DIES IN HOSPITAL

Douglas Wesley Crown, six-month old son of Mr. and Mrs. Byron Crown, of Winfield, died in the Kelowna hospital Sunday.

Besides his parents, he is survived by three brothers and eight sisters. Funeral arrangements, in charge of Day's Funeral Service, will be announced later.

TRY IT SOFT!

If your hair won't curl or set, try a very soft permanent. Select your beauty shop operator, not by price, but by experience and reputation.

Bears Stave Off Princeton Bid To Eke out 55-54 Win

Kelowna Bears made their home senior B basketball debut a victorious one but it was tough as they eked out a 55-54 win over Princeton in the Senior High Gym Saturday night.

The Princeton five gave the Bears and the small crowd a scare as they came charging up in a home-stretch drive. Bears led by five points with two minutes left and it was only expert ball handling that enabled them to stall off long enough to hold on.

Hank Tostenson paced the point-makers with 16 for the Bears while both Mullen and Kovich were right on his tail with 15 each for the southerners.

In the preliminary, the high school Golden Owls outclassed the local intermediate A Cobras 51-28.

1570 Water Street

B.C. INSURANCE OFFICIALS PLAN PARLEY APR. 7

Tentative plans for the North and South Okanagan sales congress to be held in Kelowna, April 7, were discussed at the regular bi-monthly luncheon meeting of the North Okanagan Life Underwriters Association held in the Royal Anne Hotel banquet room, January 3.

Guest speaker was R. M. Hayman, whose interesting address dealt with the Uniform Life Insurance Act.

Formerly "Tillie and Wen's" Local Restaurant Now Rated One Of Smartest In Interior

Owners Have Built Up Steady Clientele

TILLIE'S Grill, located at 1570 Water Street, next door to The Kelowna Courier, now ranks as one of the smartest restaurants in the city. Owned and operated by Mr. and Mrs. Wendell Silbernagel, the cafe will, in the future, be known as "Tillie's Grill" instead of "Tillie and Wen's."

The present owners have built up a steady clientele in the four years they have been in business. Cleanliness, good food, and courteous service, have been a constant watchword. As members of the Okanagan and District Branch, Canadian Restaurant Association, affiliated with the National Restaurant Association, Chicago, Ill., and The Canadian Retail Federation, Toronto, "Tillie's Grill" has religiously adhered to the high code of ethics set by the C.R.A.

Mr. Silbernagel was elected second vice-president of the Okanagan and District Branch of the Canadian Restaurant Association at the first annual banquet and dance, held at the new Allison Hotel in Vernon on November 15th.

The interior of the cafe has been completely remodelled under the capable supervision of J. Bucholtz, local contractor. Former patrons will see no resemblance to the past and may well think they have, by some magical process, migrated to a smart Howe Street eatery in Vancouver. Not that the cafe's exterior has copied any other particular eating place but simply that it is now as smart as that found in any city.

The interior features a complete new color scheme with salmon red walls and a checkerboard sylvatic effect extending half way up the wall. The ceiling has been painted a midnight blue and further enhanced with the popular egg-crating design. A credit to the contractor, suppliers and workmen, the cafe reveals that Kelowna is not lacking in skilled workmanship, artistic taste and the very latest in building materials.

There is no doubt but that the smart new interior will be the talk of the town and create a host of new patrons. The new counter, booths, and general seating will also come in a special mention. It means that twenty more patrons than before may now be catered to. The rich red upholstery is in itself an invitation to rest and refreshment and is another example of Kelowna craftsmanship, being upholstered by Stan Pike of Pike's Upholstering on Water Street.

Refrigeration Equipment
While improvements that attract the eye are readily discernible, there are many others that go unseen and unappreciated. Foremost among these is the new refrigeration equipment installed by Inland Refrigeration. This features a walk-in cooler and other innovations that has the hearty approval of the public health department and qualifies as being first class. New wiring, improved heating system, and fine kitchen facilities, shows the extensiveness of the overall plan.

Tillie's Grill will be open from 7 a.m. to 7:30 p.m. daily except Sundays when they will be closed all day.

The pride that is shown by Mr. and Mrs. Silbernagel and parents is also shared by a young son, six-year-old David Silbernagel. That it is justified may be readily verified by the reader when you call into "Tillie's Grill."

Congratulatory messages from suppliers and friends appear on this page and by taking special note of their advertisements others who desire similar services will soon discover where to go for such requirements.

"Success to Tillie's Grill" is the sincere wish of all.

WINTER SAFETY TIPS GIVEN BY RED CROSS

The season for healthful winter sports is here. They can be enjoyed if safety rules and common sense are employed.

Two years ago, in Picton, Ontario, a number of people were watching a hockey game on the surface of a lake. Three of the spectators left the group to go for a skate. Crossing some rotten logs, the three broke through. The first intended rescuer stretched out on the ice and extended his hockey stick. He was plunged in head-first when the ice gave way. His hockey stick was used to help keep the others afloat.

All four were pulled out when the remainder of the crowd formed a human chain with the help of more hockey sticks.

Fortunately, the people concerned with the incident had hockey sticks and knew what a human chain could do. There are other precautions that can be taken to ensure rescue in case of accidents.

1. Have a plank, pole or rope handy when skating on lake or river.
2. Carry a pole when crossing ice on foot, skates or car.
3. Mark danger spots with brush.
4. When crossing in a car, have windows open and one passenger walking ahead with a rope or pole.

DIES SHORTLY AFTER BIRTH
Harry McCall Jr., infant son of Mr. and Mrs. Harry McCall, Bankhead, died in hospital here on Jan. 2, a few hours after birth. Rev. A. V. Mueller of Immaculate Conception Church conducted a Catholic graveside service in Kelowna cemetery on Wednesday. Day's Funeral Service handled arrangements.

Congratulations...

Pretty Wedding Solemnized At Local Catholic Church

A pretty wedding was solemnized against a background of yellow chrysanthemums in the Church of the Immaculate Conception on Wednesday, December 27, when Monsignor W.B. McKenzie officiated at the 10 a.m. ceremony uniting in marriage Anne Louise, daughter of Mr. and Mrs. E. D. Marty, and Samuel Kusz, son of Mr. and Mrs. Anton Kusz, all of Kelowna.

Given in marriage by her father, the pretty, dark-haired bride was gownned in traditional white satin, styled with a net yoke trimmed with seed pearls. Her illusion net veil was held by a headpiece of orange blossoms, and in her bridal bouquet were red roses, and tiny sprays of baby mums, heather, and fern.

As maid of honor, Miss Mary Marty, was attired in a dress of pink taffeta with net overskirt. A pink net headpiece held her shoulder-length veil and she carried pink roses. The two bridesmaids, Miss Agnes Kusz and Miss Leona Schmidt, wore blue and pink, respectively. Miss Kusz' dress of taffeta was styled similar to the maid of honor's, and she wore a blue flower headpiece while her bouquet was of red carnations. Miss Schmidt's dress was of nylon, with which she wore a matching flower headpiece, and carried pink roses.

Mr. Peter Kusz acted as best man, while Mr. Alan Hoover and Mr. Jack Bothe ushered the guests. Soloists were Mr. Al Matte, and Miss Monica Geisinger was the organist.

Following the ceremony, a dinner for 50 guests was held at the home of the groom's parents, 1351 St. Paul Street, where Mr. Peter Kusz proposed the toast to the bride, while her grandfather, Mr. A. C. Barton, gave the response.

Centering the bride's table was the three-tiered wedding cake, with white tapers set at each side. A telegram of congratulation was received from the groom's aunt and uncle, Mr. and Mrs. A. C. Steiert, of Alask, Sask.

Later in the evening, a wedding dance was held in St. Joseph's Hall for about 150 guests.

For her daughter's marriage, Mrs. Marty chose a black-and-white-checked suit with which she wore black accessories, while the groom's mother, Mrs. Kusz, was similarly attired. Their corsages were of white baby mums.

The bride and groom left the following Saturday for coastal points where they spent a short honeymoon before going to Powell River, where they will make their home. When going away, the bride was wearing a three-piece suit of blue gabardine, accessorized with a black, with a corsage of pink carnations.

Hither and Yon

NEW YEAR'S AT COAST

Miss Valerie Winter returned on Tuesday of last week after spending a week at the coast with friends.

CALGARY WEDDING

Mr. and Mrs. Crete Shirreff were recent guests at the Palliser hotel in Calgary, where they attended the Boxing Day wedding of former Kelownite Miss Dixie Neff to Capt. Fred McCall of that city. They returned on Wednesday of last week after spending the New Year in the Alberta city.

FUTURE NURSE

is Miss Marie Schleppe, daughter of Mr. and Mrs. B. P. Schleppe, who left Wednesday for Victoria where she will enter St. Joseph's Hospital as a nurse-in-training.

BACK TO STUDIES

Among many others who returned to the coast and other points after spending the Christmas holidays with families, was Miss Jessie Bain, who is attending Victoria Normal School, as well as Miss Loretta Salloum and Miss Bernice Lang, nurses-in-training at St. Joseph's Hospital, Victoria.

CHRISTMAS VISITOR

at the home of her daughter and family, Mr. and Mrs. E. R. Winter, is Mrs. J. Patterson, of Vanada, B.C., who leaves this week for her home.

RENEWING ACQUAINTANCES

Mr. and Mrs. Charlie Jackson and baby Carol, of Eleanora, Aker, were visitors in Kelowna over the New Year's holiday, and were the guests of Mr. and Mrs. F. H. Ingram, Mission Road. After renewing former acquaintances and a visit to relatives in Vernon, they left for their home on Wednesday.

OFF ON EXTENDED TRIP

combining both business and pleasure are Mr. W. A. C. Bennett, M.L.A., accompanied by his son R. J. Bennett, who left Friday for the coast. From there they will travel south to California and then to eastern Canada.

FAMILY REUNION

Mr. and Mrs. F. A. Godfrey, 778 Bernard Avenue, had their son, Bill, of Lethbridge, home for the Christmas and New Year's holidays. Accompanying him was his cousin, Fred Dempsey, formerly of Moncton, N.B., and now stationed with the RCAF at Calgary. They returned Wednesday of last week. Also down from Williams Lake for a short visit between Christmas and New Year's were Constable and Mrs. Lon Godfrey.

HOME AGAIN

Mrs. R. Thompson and two small children, Sharon and Tommy, arrived home New Year's Day from Calgary after spending the Christmas holiday there. Mr. Thompson returned to Kelowna earlier.

EDMONTON VISITOR

and guest of Mr. and Mrs. M. J. Tilton and their daughter, Dell, for the past week, was Mr. J. G. McDonald, who left for his home Friday.

RETURNED TO COAST

Mr. and Mrs. Jack Dawson, of Vancouver, spent the New Year's weekend at the home of his parents, Mr. and Mrs. H. V. Dawson, Maple St. Also returned to Vancouver, after visiting at the home of her sister and brother-in-law, Mr. and Mrs. Max dePuyfer, Abbott Street, is Miss Eleanor Palmer.

RUTLAND NOTES

RUTLAND—Another of the enjoyable annual New Year's Eve dances was held in the Community Hall on Sunday night from a few minutes before midnight until the dawn of January 1. This invitation dance has become an established affair, and about sixty couples were in attendance. All had a very fine time.

Interim Flying Officer Bobby Huseh was home for the Christmas holidays visiting his father, Joseph Huseh, Jr., and friends in the district. Bob is in training at London, Ontario, and has almost completed his training course. Bob will be remembered by valley residents for his ability in public speaking, in which he won honors in Canada and the U.S.A.

Miss Helen Heltzman, who was home for the holiday season, left early last week to resume her duties at the Williams Lake school.

Mr. and Mrs. George Clark spent the holidays visiting Mr. Clark's parents at Grand Forks, B.C.

Mrs. E. Burge and Mr. Harold Burge were visitors at the home of Mr. and Mrs. J. Thompson, for the holidays, returning to their home in Armstrong early in the New Year.

The regular monthly meeting of the local sawmill workers union was held in the library room of the Community Hall on Thursday, January 4.

Pupils of the Rutland schools are striving to make an outdoor skating rink on the north side of the school, with the advent of the colder weather.

Mrs. E. M. Ruff had the misfortune to break a bone in her foot in a fall on icy steps during the holidays.

Bob Milne returned on Thursday from a trip to Saskatoon and Winnipeg.

TRY COURIER CLASSIFIEDS. FOR QUICK RESULTS

Wedding in Prairie City Interests Local Residents

Residents of Kelowna, former home of the bride and her family, will be interested in the marriage of Dixie Aileen Neff and Captain Fred Robert McCall, which took place in Grace Presbyterian Church in Calgary the afternoon of Boxing Day.

Dr. Frank S. Morley read the vows for the daughter of Mr. and Mrs. William Edmund Neff and the only son of Mrs. F. R. McCall and the late S/L McCall. The marriage was performed in a Yuletide setting of cedar boughs and lighted tapers before an altar massed with baskets of scarlet and white chrysanthemums.

Escorted to the altar by her father, the bride was gownned in an original model of white Chantilly lace and sheer chiffon. The low-waisted bodice was styled with high neckline and long lily-point sleeves and featured a double peplum of lace and chiffon which extended in cascade effect to the hemline at back. Layer on layer of chiffon fashioned the bouffant floor-length skirt which was mounted over a modified hooped skirt of white moire. Her finger-tip veil of French illusion tulle fell softly from a lace cap in cloche style and she wore as her only jewelry the groom's gift of an amethyst and rhinestone necklace. She carried a white mat topped with gardenias and hyacinths from which cascaded white satin streamers knotted with ivy.

Scarlet velvet and white corded taffeta, complemented with a cloche hat of scarlet velvet caught at the side with white carnations, created the costume worn by Miss Joyce Stephens, the bride's sole

attendant. She carried a matching velvet muff mounted with white carnations and holly from which fell streamers tied with ivy. The groom was attended by Hinds Agnew and guests were ushered by Gerald Hesson and Robert Neff, brother of the bride. Max Laidlaw presided at the console and accompanied Miss Eleanor De Caux who sang "At Dawning" prior to the exchange of vows and "I'll Walk Beside You" while the register was being signed.

Sheldon C. Buckles proposed the bridal toast at the reception which followed in the Sun Parlor of the Palliser Hotel. Captain and Mrs. McCall left later in the evening by plane for Victoria, where they will make their home.

NURSING GROUP HOLDS MEETING

The Auxiliary to the Nurses' Residence held its monthly meeting at the Willow Inn recently. This meeting also occasioned their annual Christmas party.

The members voted to buy six chests of drawers and mirrors for the nurses' residence. Farewell was said to Miss K. Lunn who is leaving to make her home in Victoria.

REMOVE GLUE

To remove glue stains from washable rayon fabrics, soak the spot in warm water. If it is a stubborn stain, you may have to soak it for quite a while. For non-washable rayons, sponge the spot with water, then with vinegar. Then sponge again with clear water.

More About
3 DEAF-MUTE
(From Page 1, Col. 7)
Just outside the entrance to the

Arena, it was indeed something to witness. When informed who Mr. Leslie was and that he could neither talk nor hear, the celebrated Cyclone Taylor, one of Canada's all-time hockey greats, said: "I can talk his language!"
Immediately they shook hands and then their fingers literally flew in a language both could converse

in-sign language. They laughed and snapped their fingers for punctuation.
It was forty-eight years since two great players had played hockey in Ontario. Cyclone Taylor recognized Mr. Leslie right away and, without hesitation, paid him a great compliment: "This fellow could really play hockey!"

Same on Top, Too

Mr. Leslie, though he has lost the faculties of hearing and speech, has not lost his good humor. He raised his hat then, with a broad grin, pointed to his bald head. Mr. Taylor got the idea right away. He doffed his hat and pointed to his bald head. Then they laughed in unison as if to say: "Long time ago now, hair gone!"

Then they entered the Monarch's dressing room as Cyclone Taylor said: "Let's get a pencil and really have a chat."
While a great but one-sided game was being waged on the ice in Kelowna and District Memorial Arena, there is little doubt but that other great battles were being relived in the dressing room. Among the few things that made Mr. Taylor happy were the precious moments he spent with Mr. Leslie recounting past glories of 50 years ago.

DOWN WITH V.F. MIN!

Rats, mice, flies and cockroaches are disease carriers, and they contaminate food. Restaurants and stores should be kept scrupulously clean and means taken to exterminate any of these dangerous pests. Where such vermin exist, any premises supplying or handling food, the local health department should be advised so that the condition can be rectified.

EDITORIALS

(Continued From Page 1)

box is a detriment not an asset to his team. No matter how outstanding his ability on the ice a player that spends too much of his time in the penalty box is only an extra burden which must be carried by his teammates.

"Fight" or "spirit" in a team is a necessary and laudable attitude; without it a team is a poor thing indeed. But this fight or spirit is something quite apart from the brawling tendency which has been much too evident this year. So much so that the ordinary fan is disgusted and there is already a growing tendency to remain away from hockey because of it. If the Kelowna hockey executive and the league officials desire to retain the support of their fans, they should take immediate steps to curtail this brawling practice. They might consider a system of financial fines to be applied against those players who persist in brawling on the ice. They should consider some action because they are losing the support of a very large proportion of their fans.

Hockey moguls in their enthusiasm may be tempted to discount that last statement, but if they desire any verification they should listen to the conversation of those who are not "hockey-mad" but are hockey fans who like the sport of hockey and attend for that reason, that large bulk of the fans who would like to see Kelowna win but appreciate that the world is not going to end if Kelowna does not win. During the past six weeks representatives of this newspaper have been approached personally and by phone many, many times with the suggestion that some steps should be taken to save hockey here before the majority of the fans become disgusted and lose interest entirely.

Hockey has a place in the scheme of things and this newspaper is most anxious to see Kelowna with a prosperous club in a good league. However, it does feel that it is expressing the opinion of the ordinary fan when it says that Kelowna is not interested in the type of exhibition presented on Saturday night and on all too many previous occasions this year. It was not hockey; it was not entertainment.

The financial success of hockey depends upon good crowds. A continuance of such exhibition as Saturday's will be the financial ruin of the Kelowna club and the league, simply because it will keep home a proportion of the crowd large enough to make the difference between financial success and financial failure.

Westbank Residents Have Many Visitors Over Christmas Holiday

WESTBANK—Holidays and celebrations in Westbank as elsewhere, are a thing of the past for another season and school pupils are back at their desks once more—as are the teachers, some of whom remained at home during the festive season while others spent Christmas and New Years' at various points in the province.

Mr. and Mrs. M. Valtin, Mrs. E. Stubbs Sr., was the guest of her daughter and husband at Vernon for several days. Mr. and Mrs. Munro.

Mr. and Mrs. G. W. Gillis left last month for Montreal, Mrs. Gillis' former home, where they are spending a couple of months or longer.

J. U. Gellatly left for Vancouver December 19, planning to be gone for several weeks.

Kazuo Tanaka, UBC, spent the holidays at the home of his parents, Mr. and Mrs. M. Tanaka.

C. J. Tolhurst returned home recently from a stay in Shaughnessy Military Hospital, where he was a patient for a short time.

A holiday guest at the home of Mr. and Mrs. G. Holmes was the former's father, A. Holmes, of Penticton.

Howard Crowe was another holiday visitor who spent a few days at the home of his parents, Mr. and Mrs. W. J. Crowe.

L/Cpl. Dave Basham, at present stationed at Fort Lewis, Wash., spent a few days of the holiday season in Kelowna and Westbank. While in Westbank he was a guest at the home of his brother, J. N. Basham. Other guests at the home of Mr. and Mrs. Basham were the latter's brother with his wife and family, Mr. and Mrs. V. Stanley, of Kamloops.

For the first time Main Street, Westbank, was colorful with strings of colored lights hung across its width during the festive season. Merchants did their part to give the town a touch of the season by trimming their windows, inside and out. Trees also twinkled with lights.

DATE FOR REPLAY SET
Postponed Detroit at Chicago NHL game of Oct. 19 will be played in Chicago on Jan. 23. The Detroit-Chicago game scheduled for Jan. 16 at Chicago will be played on Jan. 17 instead.

Failure to stop at a stop sign in the city cost R. W. Burch a fine of \$4.50 on Dec. 28.

EGGS

WANTED, for the Winter months, stores, logging camps, cafes, hotels, hospitals or bakeries, for producer's eggs at \$13.50 a case, Grade A large. (60¢ extra for case-refundable).

More About 2 ETRUSCANS WERE

From Page 1, Column 5
In its hand a piece of Etruscan money with which to pay the guard at the gates of the other world. In weird patterns some unknown artist has etched in the clay strange figures of giant animals that resemble our conceptions of ancient dinosaurs.

Silent Walls
The urns still hold the grey ashes of the noble family and in this setting of silent grey walls and dim light it is easy to let your imagination wander back over the centuries to the time when these ashes had thoughts, hopes and desires. Gazing at these lifelike statues, reclining on their beds of stone, you can wonder if they were troubled by talk of wars, the problems of finance, and all our modern worries of today. You can think of a thousand questions to ask these people of the past, a thousand demands to put to them, but for every query the stone figures remain mute and motionless.

More About 4 FERRY

(From Page 1, Col. 8)

Alaska Highway.
The importance of such a vital highway link cannot be stressed too strongly, and the local Jaycee organization has always felt that such a bridge was the logical solution to this water barrier, Enrie Gray, president of the Kelowna Junior Chamber of Commerce, declared.

It is most significant that this announcement should come almost a year to the day after headlines were made locally that "a high government official at Victoria had stated that a bridge was the logical solution to this highway bottleneck, and had been approved in principle."

Certainly, the highest possible importance should be placed on this bridge project, Mr. Gray continued. In view of present day war clouds, the direct north and south highway, of which such a bridge would fill in the prevailing "missing link" would prove as great importance as the construction of the Alaska Highway during the second World War.

Bottlenecks in transportation will always result as long as the present north-south Okanagan highway system is dependent upon a ferry system over Okanagan Lake, but a direct bridge connection between Kelowna and Westside would mean the same to the central interior—and incidentally the whole province—as the highly important Pulpito Bridge over the Fraser River does to not only the Fraser Valley, but to the entire economy of British Columbia. This is not just a localized interest, but rather of major importance to all.

The Hon. E. C. Carson's press release from Victoria was read at the executive meeting of the Kelowna Junior Chamber of Commerce on Friday last, and was fully endorsed, and direction was given the president to co-operate with all other

interested organizations, the local press, and the local M.P. to press for a final realization of this extremely important matter of a bridge over Okanagan Lake.

Mayor W. B. Hughes-Games thought Mr. Carson's proposal was a "step in the right direction."

For years we have dreamed of a proper link between Westside and Kelowna, and I am sure every interior resident, especially in the Central Okanagan, would welcome the establishment of a bridge commission which would eliminate the ferry system.

"No matter how many ferries are in operation, motorists are always subject to delays. No longer would residents of Westside have to rush home after an evening's entertainment in Kelowna. A bridge is the logical solution, not only for the convenience of the travelling public, but industry itself would also benefit from through traffic as Westbank is rapidly becoming a major fruit and vegetable producing area," the mayor said.

HORTICULTURAL HEAD HONORED BY GROWERS
R. P. Murray who succeeded Den Hoy as supervising horticulturist in Kelowna, was honored by Penticton fruit growers last week when he was presented with a silver tray bearing the inscription "A token of appreciation to R. P. Murray from the fruit growers of Penticton." Mr. Murray spent 30 years in the South Okanagan city as district horticulturist.

In making the presentation, J. A. English expressed the thanks of the group for the valuable assistance he had given to them in the past and offered best wishes for the future in his new position as supervising horticulturist for the Okanagan.

Mr. Murray thanked the growers. "It's nice to think a man has been remembered," he said. "I have been remembered," he said. "I think you will still see a lot of me down here in the future."
